

Rashad Janizada

Computer Science Student

PROFILE SUMMARY

Computer Science student at Eötvös Loránd University (ELTE) with hands-on experience in software and web development. Skilled in building responsive web applications using HTML, CSS, and JavaScript, with additional experience in Python, Java, and C#. Completed multiple development internships working on UI components, responsive interfaces, and real-world projects using Git and modern development practices. Seeking opportunities in software engineering and web development.

EDUCATION

2024 - 2027 (Present)
Eötvös Loránd University
Faculty of Informatics
BSc in Computer Science

Technical Skills

- HTML5
- CSS3
- JavaScript
- Python
- Java
- C#
- Git & GitHub
- Responsive Web Design
- DOM Manipulation
- GSAP / AOS Animations

Soft Skills

- Problem Solving
- Attention to Detail
- Team Collaboration
- Adaptability

LANGUAGES

- English: Fluent (B2 - C1)
- Azerbaijani: Native
- Turkish: B1
- Russian: A1

EXPERIENCE

Frontend Developer
ZEVIZAR – Remote
2025 – 2026

- Developed responsive user interfaces using HTML, CSS, and JavaScript
- Designed and implemented Sign In / Sign Up authentication UI
- Collaborated with team members to test, debug, and improve frontend components
- Improved UI consistency and performance across multiple pages

Software Development Intern
CodeSentinel – Remote
August 2025 – September 2025

- Developed a Parking Lot simulation system using Java and Object-Oriented Programming (OOP) principles
- Wrote unit tests using JUnit to validate functionality and ensure code reliability
- Built a reusable product card component with responsive layout and interactive UI behavior
- Received a Certificate of Completion for successfully finishing the Software Development Internship program

Web Development Intern
CodeAlpha – Remote
July 2025 – August 2025

- Implemented animations and interactive UI elements using GSAP and AOS
- Built a portfolio website and product landing page as part of internship projects
